

2026 Photography Policy

Strautman Tree Farm will be open to photographers under the following guidelines:

- Photographers who have completed, signed and sent our Photography Contract will have access to the farm from 9am until sunset from November 1st through November 15th for the 2026 season.
- After November 15th, the tree farm will be closed to photographers and photography sessions to allow us time to get the farm ready for the 2026 Christmas Season. Additionally, our tree farm will be closed to photographers while we are open for the Christmas Season in order to allow our customers full access to the tree farm and avoid any inhibition to their experience.
- Photographers who wish to utilize the farm for their photoshoots will need to reach out to Strautman Tree Farm via email or our website contact form, to initiate a contract and schedule date(s) for the 2026 season. Payment is required to be paid via cash or check by October 20th, 2026 for the use of the tree farm.
 - Single day pass: \$200.00/day
 - Season pass: \$500.00 (valid November 1st, 2026 through November 15, 2026)

As a reminder:

Access to the buildings and indoor restrooms is not permitted. Portable toilets will be available near the parking area for photographers and their clients to use.

Photographers and clients are allowed field access and have the ability to explore the outdoor areas of the tree farm. Please regard there may be employees working in the field as we prepare for the Christmas Season.

Pets are welcome as long as they remain on a leash, and owners pick up any waste.

The farm is not responsible for any lost items that are inadvertently left in the field.
